

BY-LAWS OF FLORIDA AEROMEDICAL ASSOCIATION

GOALS AND OBJECTIVES

The Florida Association (FAMA) is a professional organization whose goal is to provide a mechanism for the expression of common concerns among the providers of aeromedical care and critical care specialty transport systems (neonatal, pediatric, adult critical care mobile units) in the state of Florida. Through this common organization, the air ambulance providers and critical care providers in Florida may find a forum for expression of needs and provide a unified voice for the industry. This organization is intended to represent the public and private, fixed wing, rotor and critical care ground sectors, and special interest groups of our industry.

- I. To promote safety in the industry through the exchange of ideas, standards, cooperation, and mutual aid.
- II. To provide a mechanism of networking between the providers in Florida.
- III. To establish minimum acceptable standards of service common to public and private sectors in the rotor and fixed-wing categories and critical care units for specialized transport systems, to include education, operation and dispatch.
- IV. To provide one voice in representing Florida Aeromedical Program Association interest and concerns to organizations, agencies, and legislators in the state of Florida on issues affecting patient transport by air, and other special transport systems.
- V. Provide a clearing house for the dissemination of information relating to:
 - a. Safety
 - b. Program News
 - c. Legislative Issues
 - d. Changes in Standards
 - e. Education and Industry standards
 - f. Grant Availability

- g. Equipment and Technological Advances
- VI. Maintain a solvent status, registered in the State of Florida as a corporation.
- VII. To develop and maintain a functional plan for the appropriate utilization of Florida Air Medical Assets in the event of a declared emergency.
- VIII. To streamline the rules and regulations within the State of Florida in a collaborate effort to assist the state office regulations.
- IX. To participate as an active and accountable member of the Florida EMS Strategic Plan; submitting action reports and recommendations for goals and objectives as they relate to the air medical industry.
