

Florida Aero Medical Association Legislative Affairs

10/09/2017

Dear FAMA Members

We are preparing for the 2018 Florida Legislative Session and would like to appeal to our membership to have another great display of the Florida air medical providers in Tallahassee.

We hope you will join FAMA for the 4th annual *Flight Suits on the Hill* November 7-8, 2017. This is an opportunity to come together for the purpose of educating our elected officials on the work we do and the passion each of us share in delivering emergency care in the air to all citizens and visitors of Florida. Without regard to our personal party affiliation, the color of our flight suit, or the agency for which we work, we come together to meet with our elected officials this one day to ask for them to continue supporting helicopter EMS in Florida. We ask that you and your colleagues please register at <https://www.surveymonkey.com/r/2018HILLDAY> at your earliest convenience so we can start assisting you with making appointments with your elected officials. ***Flight Suits on the Hill* is open to all Florida air medical providers.**

You should plan to arrive in Tallahassee on afternoon of 11/7/2017 and check into your hotel. We will have a group dinner on that Tuesday evening. Wednesday 11/8/17 morning we will meet at the capital for a group picture and begin our scheduled appointments.

We look forward to seeing you in Tallahassee next month. If you have any questions, please reach out to our V.P., Chad McIntyre. chad.mcintyre@jax.ufl.edu or 904-244-4548.

Thank you

Diane Fojt
